**Subject:** Conference Call

Ken and Chris,

We would like to hold a conference call this upcoming Wednesday at 130 PM to discuss the air modeling protocol for Dewey-Burdock. DENR has requested that also from EPA, Scott Jackson and a air quality modeler named Rebecca attend. Would like to know if the time works for you and if we can invite Scott and Rebecca as well.

Sincerely,

John

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached computer program could  
contain a computer virus which could cause harm to EPA's computers,  
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
